

2012 AVLN Classes

Need a credit class for recertification?

Technology for 21st Century Learning

✚ February 27 – April 8, 2012

✚ This class looks at how information and communications technology, especially "web 2.0" tools can help us achieve the goals of 21st century learning and engage today's learners.

✚ **Instructor:** Peter Wallace

Integrating Technology and Service Learning

✚ June 18 - July 29, 2012

✚ Participants will assess available technology and local community needs, learn the importance of service learning, and develop a service learning project that integrates technology.

✚ **Instructor:** Shelley Bacon

Active Online Teaching

✚ June 18 - July 29, 2012

✚ Learn to include active learning, meaningful interactions, and stimulating learning experiences in your online courses.

✚ **Instructor:** Peter Wallace

Integrating Tech with *Pathways 1*

✚ June 18 - July 29, 2012

✚ Learn to integrate technology with the first four themes of *Pathways*: Heroes, My World and Others, Living Things, and Spiritual Journey. Tech featured includes wikis, social bookmarking, free online slideshow tools, and Google Earth.

✚ **Instructor:** Janine Lim

Integrating Technology with *Pathways 2*

✚ February 27 – April 8, 2012

✚ Learn to integrate technology with the last five themes of *Pathways*: Friends and Family, Environment, Personal Feelings & Growth, Yesterday, and Social Issues and Culture. Tech featured includes wikis, digital storytelling, collaboration tools, VoiceThread, and Google Forms.

✚ **Instructor:** Janine Lim

Graduate credit available from Andrews University and La Sierra University. Check with your principal, conference superintendent, or union certification officer to confirm that these apply for your certification.
